## Nebraska Department of Education School Finance and Organization Services

## Calculation of 2020/21 Prior Year Correction for the 2021/22 State Aid Certification

In addition to the items that make up a Local System's calculated State Aid for a given year, each year's actual State Aid payments may include adjustments to the prior year's State Aid calculations in accordance with statutory provisions. The corrections to the 2021/22 payments primarily reflect the recalculation of 2020/21 State Aid based on the incorporation of 2019/20 ADM data in place of 2019/20 Fall Membership and allowing the local effort rate to "float" during the recalculation process. Reference: State Statue 79-1065
